10 reviews of Neighbor Computer Services, Inc "I came here with a mid-2010 MacBook Pro that was randomly restarting very frequently. I had taken the computer to an Apple Store, where I had been told that the logic board needed to be replaced and that it would cost me over \$500. I decided to get a second opinion, which led me to this store.

They were very honest and told me that I should just buy a new laptop because it's not worth investing \$300 dollars into fixing an old laptop that is nearing the end of its lifespan. BUT the best part is that they did a temporary fix for free (!!!) and my macbook works!!! I can back up my data and expect to buy a new laptop soon.
