'Arguing About Disability is one of the first books to attempt to bring together philosophy and disability and in so doing examine the complexity of disability. This important and comprehensive collection explores disability from a range of theoretical perspectives including the ontology of disability - how liberty, justice, equality and disability are linked, as well as ethics and disability - and gives new insights into current debates on disability.

Arguing about Disability: Philosophical Perspectives ...

1 INTRODUCTION. Discourse on disability in many parts of the world, especially in the global North, has been historically predominated by a medical approach where persons with disabilities are considered abnormal or deviant, and/or they have been marginalized (Oliver, 1990). With such a reductionist approach, persons with disabilities have been stigmatized (Goffman, 1963; Goffman, 2017) due to ...
