Rayford Steele, an international fugitive, plans to assassinate the Antichrist, Nicolae Carpathia, who plans to make himself world ruler.

The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. The controversial journalistic analysis of the mentality that fostered the Holocaust, from the author of *The Origins of Totalitarianism* Sparking a flurry of heated debate, Hannah Arendt's authoritative and stunning report on the trial of German Nazi leader Adolf Eichmann first appeared as a series of articles in *The New Yorker* in 1963. This revised edition includes material that came to light after the trial, as well as Arendt's postscript directly addressing the controversy that arose over her account. A major journalistic triumph by an intellectual of singular influence, *Eichmann in Jerusalem* is as shocking as it is informative—an unflinching look at one of the most unsettling (and unsettled) issues of the twentieth century.

As the world's thousands of believers gather in Jerusalem for a stadium rally, the Tribulation Force struggles with their own personal crises. Newspaper reporter Buck Williams and his wife, Chloe, question whether or not they should have a child when the future of the world is so uncertain. Meanwhile, Rayford Steele discovers the shocking truth about his wife, Amanda. Nicolae Carpathia continues his rise to power, forcing believers underground. But Nicolae isn't prepared for a plague of scorpion-like locusts tormenting his followers—with a pain so horrible that men try to kill themselves but aren't allowed to die. A repackaging of the fifth book in the *New York Times* best-selling *Left Behind* series.
