## Explained: How to Master the Power of the ...

Body language refers to the nonverbal signals that you use to communicate your feelings and intentions. It includes your posture, your facial expressions, and your hand gestures. The ability to understand and to

File Type PDF

Body Language

interpret body language can help you to pick up on unspoken issues, problems or negative feelings that other people might have.

Body Language -  
Communication Skills  
From MindTools.com

Body Language

Explained. Body

Language (also

# File Type PDF Body Language

known as Nonverbal Communication, even though that's technically not correct) gives you a lot extra information beyond the spoken words, that you can use to recognize people's emotions, and discover their real intentions. What people are saying (ie. the words they speak)

File Type PDF  
Body Language  
and what they are  
really saying (their  
intentions, emotions,  
hidden agenda's etc.)  
can be very different:

Nonverbal

Communication and

Body Language

Explained

Body language is the  
way your body  
communicates without  
the use of words. It

File Type PDF  
Body Language  
Explains How  
combines hand  
gestures, posture,  
facial expressions,  
and movements that  
tell others what's  
going on inside your  
head. Body language  
can happen  
consciously and  
unconsciously.

Understanding Your  
Dog's Body Language

| RSPCA

The best indication of  
body language is the  
amount of personal  
space between you  
and the other person.  
If the person keeps  
their distance, that is  
normally an indication  
of negative body

# File Type PDF

## Body Language

language. However, if the person leans in when talking to you and makes a lot of eye contact, these can be taken as examples of positive body language.
