Recipient of the Banff Mountain Book Festival's Canadian Rockies Award A book to be read and digested, then sampled, then read and dipped into often a fine achievement for this dedicated author Bruce Fairley, Canadian Alpine Journal HOLY SHIT WAAAAAAAAAAT A FABBBBBULOUS TOME. Tami Knight, Illustrator/Mountaineer This important new book tells the story of Canada's 200-year mountaineering history. Through the use of stories and pictures, Chic Scott documents the

evolution of climbing in Canada. He introduces us to the early mountain pioneers and the modern day climbing athletes; he takes us to the crags and the gyms, from the west coast to Québec, and from the Yukon to the Rockies. But most importantly, Scott showcases Canadian climbers-the routes that challenged them, the peaks that inspired them, their insatiable desire to climb harder, to push the limits. Begin the trek through Canada's climbing history Learn about Swiss guides hired by CPR hotels who ushered in the glory years of first ascents. Continue through to the turn of the twentieth century when British and American climbers of leisure found themselves hampered by

the difficulties of travel through the Canadian wilderness. Learn about the European immigrants of the 1950s who pushed the limits on the rock walls, and the American superstars who led the search for frightening new routes on the big north faces. Be there when British expatriates pioneer an exciting new trend in world mountaineering-waterfall ice climbing. Witness the popular growth of sport climbing, both on the crags and in the gyms. Finally, enjoy the story of home-grown climbers. Initially slow to take up the challenge, both at home and overseas, they are now leaders in the climbing world.

### Lapierre Stephane

Panther Gorge explores the history one of the most remote regions in New York's Adirondack High Peak region. Two thousand feet deep and riddled with sheer cliffs, the chasm lies between Mts. Marcy and Haystack, the state's first and third highest points. A surprisingly rich history begins on a pathless landscape and includes visits by the earliest Adirondack pioneers including surveyor Verplanck Colvin, guides O.S. Phelps and Jim Goodwin, author Alfred B. Street, and a host of others. Panther Gorge also documents the author's explorations into the region during the period from 2009-2018 to pioneer new rock and ice

climbs. Detailed narratives, over 170 color photographs, maps, and route plates allow the reader to vicariously experience one of the most mysterious places in the Adirondack high country.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public."
