From his writings Chaucer emerges as poet of love, both earthly and divine, whose presentations range from lustful cuckoldry to spiritual union with God. Thereby, they regularly lead the reader to speculation about man's relation both to his fellows and to his Maker, while simultaneously providing delightfully entertaining views of the frailties and follies, as well as the nobility, of mankind.

There is little doubt that Chaucer did translate Le Roman de la Rose under the title The Romaunt of the Rose: in The Legend of Good Women, the narrator, Chaucer, states as much. The question is whether the surviving text is the same one that Chaucer wrote. The authorship question has been a topic of research and controversy. As such, scholarly discussion of the Romaunt has tended toward linguistic rather than literary analysis. Scholars today generally agree that only fragment A is attributable
