Eligibility to take Chemistry 112 is based on
previous performance in Chem 115 or Chem 111.
Either of those courses must have been
approved with a grade D or better. Note,
however, that it is better for students that
did not perform well in Chem111 to repeat the
course before attempting to continue on in
Chem 112.

For experiments that require two consecutive weeks to complete, only a single lab report will be submitted. The above rubric is for Chem 119M reports. For Chem 119H, the point total will be multiplied by 0.9, resulting in a maximum grade of 18 points.. Reports submitted after the due date will be considered late and will be graded according to the following equation:
