Looks at the history and motivation of the Red Brigades, recounts the kidnapping and murder of Aldo Moro, and assesses Italy's anti-terrorist efforts.

Integration in the empire under the political control of the city of Rome, her princeps, and the different authorities in the provinces includes processes of inclusion and exclusion. They are explored from juridical, political, social and religious points of view.

This volume addresses a far-reaching aspects of Petrarck research and interpretation: the essential interplay between Petrarck's texts and their material preparation and reception. To read and interpret Petrarck we must come to grips with the fundamentals of Petrarchan philology.

This book sheds new light on the role of the military in Italian society and culture during war and peacetime by bringing together a whole host of contributors across the interdisciplinary spectrum of Italian Studies. Divided into five thematic units, this volume examines the continuous and multifaceted impact of the military on modern and contemporary Italy. The Italian context offers a particularly fertile ground for studying the cultural impact of the military because the institution was used not only for defensive/offensive purposes, but also to unify the country and to spread ideas of socio-cultural and technological development across its diverse population.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
