Also a fun adult game for a road trip or after dinner party with your partner and/or friends to get the energy going as you all cringe and gasp at guessing each other's choices! HAVE FUN! SCROLL UP TO CLICK THAT BUTTON TO GET YOUR COPY NOW!

I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought. "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Looking for questions about Insane Truth or Dare? The party game of truth or daring among teens and adults is well known and popular. It does not take much planning or pricey materials to play honesty or daring, and can be appreciated by families, groups of couples, at a party or a night meeting; eventually, anywhere, wherever it is true to test your friends' honesty or boldness.

From the author of the #1 New York Times bestselling series The Clique comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of Prim: A Modern Woman's Guide to Manners. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of Fear of Flying by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.

Have you fallen into a routine or rut with your partner? Could you benefit from a better sex life?? Bored during quarantine??? Whether you want to strengthen your relationship or just have a little kinky fun with someone special. Sexy Games for Couples is the solution. In this book, you will learn new positions, explore new sensations, learn about your partner, and build up lust and desire leading up to the most passionate, uninhibited best sex of your life! Who says foreplay is a thing of the past? "Every couple I know can't get enough of these original, sexy games. My husband and I wrote this book together over the course of 5 years based on our personal experiences, so we know which sex games work and which ones fall flat. I hope that adult couples, married couples and newlyweds will keep an open mind implement the many intimate, dirty sex games within to strengthen their relationship, or at the very least, just have some kinky fun :-)" - Allison Eden
