Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

This primer presents a systematic introduction to the structure of Modern Standard Hindi. It is intended to provide the student with a thorough foundation in the grammatical structure of that variety of Hindi that is commonly taught in Indian schools and that is the common vehicle of publication in Hindi. Although much emphasis is placed on the written language, discussion is also provided of aspects of conversational Hindi. The core of the work contains thirty on chapters. The first four offer discussions of the linguistic status of Hindi as well as comprehensive descriptions of Hindi phonetics and the Devanagari syllabary in which Hindi is written. Chapters 5 through 31 each contains descriptions of fundamental aspects of Hindi grammar. These chapters have extensive translation and grammatical

exercises appended to them. The work as a whole introduces a core vocabulary of approximately fifteen hundred entries, incorporating lexical items found on most standard elementary word lists for the language. Supplemental materials in this book include graded reading passages, a guide to further study in Hindi, and Hindi English glossary. Although the Devanagari syllabary is used throughout the book, Roman transliteration is also provided through Chapter 15. A Primer of Modern Standard Hindi can be used in several different ways. It can be used as part of a university-level course as a text for Hindi grammar and writing. As such it will nicely supplement other materials addressing more conversational aspects of the language. It can also be used for self-study purposes by the student who does not have access to a formal instructional program.
