108 lined pages for all your Russian notes. Get yourself this Notebook / Journal / Diary / Exercise / Composition Book. Let the inner Russian out of you!

The traditions of paper architecture derive from French and Italian designs of the eighteenth century and avant-garde projects produced in the Soviet Union in the 1920s and 1930s. The latter were denounced at the time for their detachment from reality, practice, and ideology, which made them unsuitable for promoting the building of socialism In the early 1980s, a group of students at Moscow Architectural Institute found a way around the censor and began sending entries to Japanese ideas competitions. They immediately started winning. Yuri Avvakumov was one of the key figures in the paper architecture movement of the time and amassed a large collection of works by his friends and colleagues. As well as an introductory essay by Avvakumov, the book includes a selection of press cuttings, many of which are translated to English for the first time. Paper Architecture. An Anthology was first published in Russian in 2019. It won The Art Newspaper Russia Book of the Year award.

A modern-day spiritual western by the same creative team behind "The White Lama."

Let the games begin! Hefty Smurf, following Papa Smurf's suggestion, helps organize the first Smurf Olympics, but getting his fellow Smurfs to participate proves difficult. The most willing, and hardest training Smurf is Weakling Smurf. But has Papa Smurf given Weakling Smurf some kind of unfair advantage? And what did Hefty Smurf promise the other Smurfs to gain their eager entry into the Games? You'll find all the answers in "The Smurf Olympics"!

Published on the occasion of Sartre's Centenary, this book helps to understand the man behind the work, offering a psycho-social analysis of Jean-Paul Sartre with an emphasis on his masculinity. It sets out to contextualize Sartre in terms of his psycho-sexual formation and processes of self-constitution in view of his childhood. The main period under detailed study is 1905-1945, before Sartre became the Sartre. It concentrates on his early childhood, his teenage years in La Rochelle, the years at the Ecole Normale, and the first few years of his adulthood, with specific attention on the war years. An analysis of Sartre's relationships follows, with Simone de Beauvoir and other women and men (including love and sex), before a postscript covering the period 1973-1980. This essay is not a reductive account. It tells the story of Jean-Paul Sartre, from the inside out, so that the achievements of one of the major intellectuals of the 20th Century can be measured against his own internal struggles.

What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

Essential for getting to grips with the Weightless standard, this definitive guide describes and explains the new standard in an accessible manner. Covering key features and issues of the technology, it will help you to understand the major decisions and requirements involved in designing and deploying a Weightless network.

Forced to move into a haunted concert hall with her distant father, "The Maestro," and aging grandmother, Nonna, 12-year-old Olivia and classmate Henry try to lay to rest ghosts who are tied to the Hall's past before time and money run out.

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. Winter 1474 finds Nicholas exiled in the frozen port of Danzig, Poland. His Machiavellian exploits in Scotland have cost him friends and family--not to mention countless riches. As the ice melts, temptations arise. Will he assist the Muslim Prince Uzum Hasan against the Turks? Will he lose himself among the secret, scented gardens of the Crimea in the arms of a close friend's bride? As Nicholas pursues his future, his estranged wife, Gelis, seeks the truth about his past, only to discover the secret identity of his latest comrade in arms--a tantalizing ghost from the past poised to deal him the crowning death blow. Shimmering with detail, alive with intrigue, Caprice and Rondo is Dorothy Dunnett's quicksilver evocation of a world where joy is fleeting, love is unexpected, and truth the rarest commodity of all.

Presents a volume of works by the Pulitzer Prize-winning writer that offers insight into his use of provocative and attention-getting language, in an anthology that is complemented by original pieces.
