The German Empire, 1871 – 1914. The German Empire was founded on January 18, 1871, in the aftermath of three successful wars by the North German state of Prussia. Within a seven-year period Denmark, the Habsburg monarchy, and France were vanquished in short, decisive conflicts. The empire was forged not as the result of the outpouring of nationalist feeling from the masses but through traditional cabinet diplomacy and agreement by the leaders of the states in the North German Confederation ...
