At Harvard Business Review, we believe in management. If the world's organizations and institutions were run more effectively, if our leaders made better decisions, if people worked more productively, we believe that all of us – employees, bosses, customers, our families, and the people our businesses affect – would be better off. We arm our readers with ideas that help them become ...

I recently read a helpful article in Harvard Business Review via Doximity. It was a feature on servant leadership. I'll briefly recap the highlights and make application to the ED. All of us are in some kind of leadership position. A 4th year med student can lead the 1st year student. An intern can help the medical student. A senior resident can teach the intern. An attending physician can be ...
