How to Self-Publish Your First Book: Step-by-step tutorial for beginnersromance books that made me cry.

What are the most popular names of the Ambo people in Namibia? Why do so many Ambos have Finnish first names? What do the African names of these people mean? Why is the namesake so important in Ambo culture? How did the nation's long struggle for independence affect personal naming, and what are the latest name-giving trends in Namibia? This study analyses the changes in the personal naming system of the Ambo people in Namibia over the past 120 years, starting with 1883, when the first Ambos received biblical and European names on baptism. The central factors in this process were the German and South African colonisation and European missionary work on the one hand, and the rise of African nationalism on the other. Eventually, this clash between African and European naming practices led to a new, dynamic naming system which includes elements of both African and European origin. "Within the field of onomastics, i.e. the scientific study of names, this study is a remarkable and extremely important one. ... I suspect that it will become a major and standard reference work in the future, not only regarding Ambo anthroponymy, but anthroponymy in general, particularly where cultures interact." Professor S. J. Neethling, University of the Western Cape, South Africa

ⓘThis generationⓘs Cruel Intentions.ⓘ Jennifer L. Armentrout, #1 New York Times Bestselling Author These Royals will ruin youⓘ From wharf fights and school brawls to crumbling lives inside glittery mansions, one guy tries to save himself. Reed Royal has it all!looks, status, money. The girls at his elite prep school line up to date him, the guys want to be him, but Reed never gave a damn about anyone but his family until Ella Harper walked into his life. What started off as burning resentment and the need to make his fatherⓘs new ward suffer turned into something else entirely!keep Ella close. Keep Ella safe. But when one foolish mistake drives her out of Reedⓘs arms and brings chaos to the Royal household, Reedⓘs entire world begins to fall apart around him. Ella doesnⓘt want him anymore. She says theyⓘll only destroy each other. She might be right. Secrets. Betrayal. Enemies. Itⓘs like nothing Reed has ever dealt with before, and if heⓘs going to win back his princess, heⓘll need to prove himself Royally worthy.

Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it alland was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free Stateland having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years!it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
