Isnt It Obvious is another good Novel by Goldratt. This book applies The Theory of Constraints to retail management, warehousing, and supply chain efficiencies. The interactions between the father and daughter in this novel reminded me of the interactions between Goldratt and his daughter in their book called The Choice.

"Isnt there some way you could complete it sooner?" Paul was deeply concerned. "Afraid not," Al answered, and then added. "I'm in the middle of another three projects, as is. I dropped everything to get here, and God knows what other emergency will pop up before we finish this job." "But Thursday is Valentine's Day!"
