Bestselling author Jude Deveraux spins a rollicking story of a mismatched couple who unearth a sparkling, irresistible passion across the rugged West! Captain Ring Montgomery was handsome, a skilled rider, a crack shot, popular with the men and their ladies. That was reason enough for a jealous, surly colonel to saddle Montgomery with a most peculiar assignment: to escort an opera singer into the Colorado gold fields. Ring's plan was to scare the little lady enough so that she'd hightail it for home. After all, a Civil War was brewing! But LaReina, The Singing Duchess—as Maddie was called—didn't scare easily. And she didn't intend to explain her reasons for coming West to any high and mighty soldier. Captain Montgomery might be smart enough to figure out that she was no European duchess, and gentleman enough not to take advantage of her. But he'd have to go on thinking she had some insane desire to sing opera to a bunch of ragtag miners—for she didn't dare trust him with the truth...

England's most valiant knights paid court to wealthy Liana Neville, but only the infamous warrior Rogan Peregrine made no secret of his powerful desires. His very caress melted Liana

into liquid fire, and she vowed to capture this magnificent, wild man. Boldly the delicate beauty gave him her hand -- and Britain's richest dower. Yet he was bound to a bitter feud: for love betrayed, brothers killed, and ancestral land usurped. In Rogan's war-ravaged castle, Liana would lay her tender seige...to redeem his embattled spirit and win his untamed heart!

All of England rejoiced on her wedding day. But Judith vowed that her husband would get only what he took from her! At the flower-bedecked altar, the first touch of their hands ignited an all-consuming passion. Gavin Montgomery looked deep into her golden eyes and burned with desire for her...but his heart had been pledged to another. Humiliated and alone in a strange castle, Judith resolved to hate this husband who took her body, but rejected her love...never admitting her fear of losing him. But destiny held another fate for Judith...a fate that would keep at last...The Velvet Promise.

They were both outcasts by a harsh decree -- and on the brink of a shared destiny of passion! With her father murdered, her home burned, lovely Alyx Blackelt fled to the woods -- and sanctuary in the camp of Raine Montgomery, a nobleman outlawed by the king's edict. There she hid her beauty in the guise of a boy, and her sorrow in her work as Montgomery's squire. But how long could such loveliness as hers be hidden? How long could such a gallant man's desires be blind? And how soon -- even as a blood feud raged between the Montgomerys and the Chatworths, as angry swords clattered in the name of family honor -- one woman's love would make all the difference...one woman's love would inflame a hero's passion, touch a king's pity, and raise a song of praise in every English heart.

Jude Deveraux steps back to a time and place where revenge and rivalry rule men's hearts—and love conquers all—in this wonderful Montgomery novel. Bronwyn MacArran was a proud Scot. Stephen Montgomery was one of the hated English. He came to Scotland as a conqueror, saw her beauty and was vanquished. But still she would abhor him. She owned a temper hot enough to forge the armors of battle or inflame a valiant soldier's passion. Yet still she would resist him. She became his reason to live, his reason to love. And still she would deny him. But while clan fought clan, while brother took up sword against brother, and the highlands ran with blood—their destiny was made...and this mighty warrior pledged himself to his woman's pride, her honor and her name—and made of their love a torch to burn through the ages!

She came to him as a precious gift, a naked angel rolled in a rug. Once he gazed into her green eyes, saw her tangle of honey blonde hair, he was undone with passion. Elizabeth would never surrender. He was a hated Montgomery -- she was a Chatworth -- and the blood war between their families raged on, a wildfire of rape, murder, and betrayal. Elizabeth vowed to fight the handsome lord, to resist the burning desire in his eyes -- no matter how great the temptation.

Lovely Zared Peregrine was the pride of her family, a treasure her rough-hewn brothers would strive at any cost to protect from their ancient enemies, the Howards. The Peregrines had suffered loss enough. Thus Zared's brothers trained her in the arts of war, and dressed her in boy's clothing. Beyond the castle walls, none knew that the youngest Peregrine was a girl.... Yet when the magnificent Knight Tearle Howard returned from a lengthy sojourn in France, it took him but one glance to discover that Zared was most definitely female, and beautiful. Now, as the enmity between their families raged on, Tearle would mount a bold campaign to win the ravishing spitfire's heart -- and save her from his brother's dark and deadly obsession!

Jude Deveraux portrays the power of a woman set on a bold course for true love—and the glory of fulfilling a magnificent promise. Handsome plantation owner Wesley Stanford would barely recall the poverty-stricken young girl named Leah Simmons who adored him from afar years ago. Now, in an unexpected twist of fate—a chance encounter on the Virginia riverfront—he will become Leah's reluctant husband. Determined to forge a new life in untamed Kentucky, Wesley discovers that the bride he hopes to abandon is passionate, proud, and brave—and may be the woman he cannot live without.

New York Times bestselling author Jude Deveraux's timeless historical romance set in the Kentucky wilderness featuring a woman whose life was changed forever in a few terrifying moments. When her wagon train is ambushed by renegade Shawnees, beautiful young Linnet Tyler is the sole adult survivor. Taken prisoner, alone in a harsh land, she faces an uncertain, terrifying future with a steely courage that belies her fragile beauty. Thanks to his Shawnee grandmother, Devon Macalister is as much at ease roaming the forest trails with his Indian cousins as he is in the little settlement of Sweetbriar where he makes his home, and he is determined to rescue this lovely captive. But the dangers of winning Linnet's freedom and their hazardous journey through the wilderness to safety are nothing compared to the perilous dictates of both their hearts.

Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.
