Leadership and management tools for the new nurse: A case ...
There are many definitions of leadership and management, and as many views of the importance of one as compared to the other. Our toolkit recognises the importance of both and seeks to provide a source of support to all those who have responsibility for others. We also recognise that building effective leadership and management skills is a journey that starts with managing oneself, moves on to Leading and managing others in a one on one relationship and then onto leading teams and change.

Leadership Toolkit | London Leadership Academy
