Herman Melville is a biography of the American author Herman Melville by Lewis Mumford, first published in 1929. Mumford, who felt a close affinity with Melville, gives both an account of the author's life and an interpretation of his works in the book, devoting particular attention to Moby-Dick and the later works published thereafter. The book played a role in the Melville revival of the 1920s, helping to affirm the author's reputation and to indicate connections between his work and later lit
