Over 1 million copies sold What every church will always need The need for talented, vigorous leaders in the church cannot be overemphasized. Such times demand active service of men and women who are guided by and devoted to Jesus Christ. With more than 1 million copies sold, Spiritual Leadership stands as a proven classic for developing such leadership. J. Oswald Sanders, a Christian leader for nearly seventy years and author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates his points with examples from Scripture and biographies of eminent men of God, such as Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. Featured topics include: The cost of leadership The responsibility of leadership Tests of leadership The qualities and criteria of leadership The art of reproducing leaders The one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God-given, and their true effectiveness can only be reached when they are used to the glory of God. Let this classic be your guide for leadership, and watch how God works through you to do great things for His glory.

How do Christians grow? "This book invites the reader to experience the title. It is not just a 'how-to' volume, but a 'be' volume." So write the editors of this rich resource on the spiritual life. Spiritual maturity is not a level of growth Christians achieve, but the passion to press on in Christ. In these chapters, J. Oswald Sanders explores the primary source of continual growth. In three parts, structured around the persons of the Trinity, Sanders explores matters like: How we should view God Why our weakness is God's strength What it means that Christ prays for us How to live like an heir of the King The role of the Spirit in a Christian's life Spiritual Maturity provides clear direction for those desiring to grow strong spiritually. Complete with scriptural principles for spiritual development and study questions at the end of the text, this classic handbook is a timeless treasure. Includes a "For Reflections" section, making it an ideal resource for both individual and group study.

"Take time and trouble to keep yourself spiritually fit." - 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be-not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

Strong leadership in the church is exactly what God had in mind. However, very few people, Gene Getz believes, understand the biblical pattern for church leadership. He has written *Elders and Leaders* to unravel the mystery and alleviate the confusion surrounding this critical topic. In the first part of the book, Getz lays the historical and biblical groundwork for the position of elder. In the second part, he shares how he has applied or has seen these principles applied over the years.

C.H. Spurgeon's passion for raising up future spiritual leaders marked his ministry. Drawing on the strategies of this tremendous man of God, Steve Miller presents *C.H. Spurgeon on Spiritual Leadership* for leaders interested in understanding the role of faith and conviction in forming a philosophy of spiritual leadership. Miller highlights the qualities Spurgeon viewed as indispensable to servant-hearted leadership. Here is a comprehensive guide for the church, providing help in developing leaders for today and tomorrow.
