The continuing fantastical adventures of the young-but-wise thief Widdershins, who carries a deity in her head—and carries the weight of the past on her shoulders... After the tragic events that befell her and her friends, Widdershins--along with her aggravating personal god Olgun—fled her home city of Davillon searching for respite. But there is little peace to be found in the increasingly troubled land. And no place is more troubled than the town of Lourveaux, where

intrigues and conspiracies against both the church and the government buzz like flies. But Shins is more concerned with the local Delacroix family than whoever wants to take down the powers-that-be. Because her beloved, late adoptive father was a Delacroix. Now, the last remnants of House Delacroix are under siege. Their crops are being blighted. A rival noble house is striving against them. And a ruthless criminal gang with their very own alchemist is working from the shadows to take them down. But Widdershins isn't the kind of girl who forgets her family... ..and the enemies of the Delacroix have no idea what they're about to come up against.

The young thief Widdershins returns home to face her destiny in “ her last and most dangerous adventure ” in this series finale—a “ smart fantasy with heart ” (Kirkus Reviews). After almost a year away from the grand city of Davillon, the wandering thief Widdershins has finally come to terms with the pain and grief that drove her away. Now she ’ s returning home with the hope that her old friends can forgive her hasty actions. But home is not what it used to be. The entire city is on edge, with rumors of upheaval spreading through the darkened streets. And Shins is shocked to discover that her dreaded nemesis, Lisette Suvagne, is behind the strife. Thanks to an unholy bargain with otherworldly powers, the vindictive Lisette is far more dangerous than

before—and far too formidable even for Shins and her personal god, Olgun, to confront alone. Now, for the sake of her friends, her city, and her own soul, Shins must gather allies from every corner of Davillon—lawful, unlawful, and seriously unlawful—before she faces the greatest challenge of her life. Because the greatest challenge of Widdershins ' s life might also be the end of it.

It ' s been over half a year, now, since the brutal murder of Archbishop William de Laurent during his pilgrimage to the Galicien city of Davillon. During that time, the Church of the Hallowed Pact has assigned a new bishop to the city—but it has also made its displeasure at the

death of its clergyman quite clear. Davillon ' s economy has suffered beneath the weight of the Church ' s displeasure. Much of the populace—angry at the clergy—has turned away from the Church hierarchy, choosing private worship or small, independent shrines. And the bishop, concerned for his new position and angry at the people of Davillon, plans to do something about it. But a supernatural threat is stalking the nighttime streets—a creature of the other world has come to infiltrate the seedier streets of Davillon, to intertwine its tendrils through the lower echelons of society. Faced with both political upheaval and a supernatural threat to its citizenry, the local representatives of the Church are paralyzed and the Guardsmen are in over their heads.

And then there ' s Widdershins--who ' s tried, and failed, to stay out of trouble since taking over Genevieve ' s tavern; who ' s known to the Church and the Guard both, and trusted by neither; who may, with some of her Thieves ' Guild contacts, have unwittingly played a part in the bishop ' s plans; and who, along with her personal god Olgun, may be the only real threat to the supernatural evil infesting Davillon. From the Hardcover edition.

Once she was Adrienne Satti. An orphan of Davillon, she had somehow escaped destitution and climbed to the ranks of the city's aristocracy in a rags-to-riches story straight from an ancient fairy tale. Until one

horrid night, when a conspiracy of forces--human and other--stole it all away in a flurry of blood and murder. Today she is Widdershins, a thief making her way through Davillon's underbelly with a sharp blade, a sharper wit, and the mystical aid of Olgun, a foreign god with no other worshippers but Widdershins herself. It's not a great life, certainly nothing compared to the one she once had, but it's hers. But now, in the midst of Davillon's political turmoil, an array of hands are once again rising up against her, prepared to tear down all that she's built. The City Guard wants her in prison. Members of her own Guild want her dead. And something horrid, something dark, something ancient is reaching out for her, a past that refuses to let her go.
