job, any time ...

My experience will make this much quicker next time. It happens a

lot in QA: whether writing test cases or

JUnit test cases, it takes a lot of time at first.

After you are done, you can always repeat it and that's the up side.

Besides that, I didn't have all the required platforms myself, so

Page 31/42

Guide How To

Access Free Odesk

setting up would be very time consuming in my case.
