PhotoPlay! is a coloring book for kids too old to color in a coloring book with fat ducks, round apples, and the number 4. If you think you're too old, then PhotoPlay! is the doodle, design, and -YES—the coloring book for you. (You are also wrong. You are never too old to color in any coloring book, even if it contains the number 8!)

You draw, and a neural network tries to guess what you're drawing. Of course, it doesn't always work. But the more you play with it, the more it will learn. So far we have trained it on a few hundred concepts, and we hope to add more over time. We made this as an example of how you can use machine learning in fun
