A growing number of people immigrants, refugees, asylum-seekers, displaced individuals, and families lead lives that transcend national boundaries. Often because of economic pressures,

Online Library

Qsk19 G4 Mins

these individuals continually move through places, countries, and cultures, becoming exposed to unique risk and protective factors. Though migration itself has existed for centuries, the availability of fast and cheap transportation as well as today's sophisticated

Online Library

Qsk19 G4 Mins

technologies and electronic communications have allowed transmigrants to develop transnational identities and relationships, as well as engage in transnational activities. Yet despite this new reality, social work has yet to establish the parameters of a transnational social work practice. In one of

Online Library

Qsk19 G4 Mins

the first volumes to address social work practice with this emergent and often marginalized population, practitioners and scholars specializing in transnational issues develop a framework for transnational social work practice. They begin with the historical and environmental

Online Library

Qsk19 G4 Mins

context of transnational practice and explore the psychosocial, economic, environmental, and political factors that affect at-risk and vulnerable transnational groups. They then detail practical strategies, supplemented with case examples, for working with transnational populations utilizing this population's

Online Library

Qsk19 G4 Mins

existing strengths. They conclude with recommendations for incorporating transnational social work into the curriculum.

On the West Coast, catching fish is a way of life, celebrated in these writings, oral histories and photographs about the people who build the

Online Library

Qsk19 G4 Mins

boats and bring in the fish. This book, the result of a three-decade infatuation with fishing boats and fishing people, salutes those fishers and everyone else who builds the boats, fixes the gear and brings in the fish - from humpback to halibut, from draggers to double-deckers. The book has more than 200

Online Library

Qsk19 G4 Mins

photographs from the author's collection, oral histories from the Native Canadians, Dalmatians, Japanese, Norwegians, Vietnamese and others who created the rich culture of our fishing industry, historical background on the war years and the fisherman's union, an introduction to women

and answers that help them find the cute red bird hidden on each spread.

Safe Operation and Maintenance of Dry Dock Facilities is the first manual of practice to provide guidance for the operation of four main types of dry dock facilities: floating dry docks, graving docks,

Online Library

Qsk19 G4 Mins

marine railways, and vertical lifts. Until now, some of these facilities have been operated and maintained without a thorough understanding of the design of their dry dock, and therefore the features that are vital to the safe operation of the facility. This manual is intended for commercial entities that operate one of the four dry docks

Online Library

Qsk19 G4 Mins

discussed in this book. It will provide a cost-effective program for maintaining and operating a safe dry dock facility. This book examines in depth the four activities necessary to achieving this which include: condition assessment, maintenance, control inspection, and dock operations.
