It ' s actually quite simple. Respect is actually quite simple. All you really need to do is shift (and improve) the way you think. Just realise that treating others with respect is not just the good and right thing to do, but it is also an essential thing to do. Respect is an integral and essential part of life.

~~5 Reasons Why It's Important to Treat Everyone With Respect~~

ReSPECT stands for

Recommended Summary Plan for Emergency Care and Treatment.

The ReSPECT process creates a personalised recommendation for your clinical care in emergency situations where you are not able to make decisions or express your wishes.

express choices. These recommendations are created through conversations between a person, their families, and their health and care professionals to understand what matters to them and what is realistic in terms of their care and treatment.

~~ReSPECT | Resuscitation Council UK~~

Respect is awarded once the item is completed and not during the smithing process. If smithing an item would increase the player's respect over 100%, any extra respect is lost; for example, if a player has 99% respect, and smiths an item that gives 30,000 experience, they will have 100% respect after completing the item, not 102%.
