For example, some records managers in public sector organisations recommend keeping an employee's records until they reach the age of 100, especially for pension purposes. Employers should always review the length of time personal data is kept, consider its purpose when deciding how long to retain it, and update, archive or securely delete information if it goes out of date.

Retention of HR Records | Factsheets | CIPD

This is an intelligent and cohesive selection of eight chapters from the "Historical Records" which comprise 130 chapters. This English version tells the story of the "First Emperor" of Qin who unified China after several hundred years of strife among feudal lords.
