Structuring an engineering statement of purpose An SOP usually includes: An introductory paragraph that grabs the reader's attention and sets the stage for the following paragraphs A few highlights of your abilities, education, and work accomplishments (but don't repeat your resume)

~~How to Write Your Master's in Engineering Statement of Purpose~~

Flight is a cardinal fascination for me and for many aerospace engineers who are awe inspired and galvanized by it. We can move through water without boats and move across land without cars, but we can't fly without machines. We can walk by taking a single step and swim by holding our breath, but to fly, we have to outsmart nature.
