supplies to the oil industry.
Superior was purchased by White
Motors in 1955 who offered a
complete line of diesel engines
and trucks. Cooper Industries
purchased Superior Engine in
1976 after White Motors went
bankrupt. This added to Cooper's
line of large engines.

In 1965, the name White Diesel Engine Division was changed to White Superior Division and refinements to existing engine and compressor lines continued. As part of these enhancements, twelve and sixteen cylinder V-engines were developed. These engines ranged from 400-2,650 horsepower and could be used for

~~Cooper Superior 2406 Natural Gas Generating Plant~~

It was 1961 when the humble little people-mover fell into the hands of British racing legend John Cooper. A more powerful engine, bigger brakes and a few tuning tweaks later, the Classic Mini Cooper 997 was introduced. And a rally demon was born. Shortly after in 1962, when gender roles were thought to be defined, one woman chose a life of speed.
