The charmingly oblivious elephant Little Jumbo "saves the day" in a superhero story that 's perfect for fans of Ian Falconer 's Olivia Being a superhero isn ' t easy. All Little Jumbo wants to do is fight crime and defend the weak, by doing things like halting traffic for snails to cross the street and stopping Dad from sneaking cookies. It ' s not his fault grown-ups don ' t appreciate his heroic deeds! Luckily, Little Jumbo doesn't give up easily. He even powerfully resists cake (his greatest weakness!) to help a new friend in need! Super Jumbo is the hilariously sweet companion to Fred Koehler ' s standout debut, How to Cheer Up Dad, which received three starred reviews.

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child ' s social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal

with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the autism spectrum with school refusal

Whether enemy or ally, demon or god, the source of satisfaction or the root of all earthly troubles, the penis has forced humanity to wrestle with its enduring mysteries. Here, in an enlightening and entertaining cultural study, is a book that gives context to the central role of the penis in Western civilization. A man can hold his manhood in his hand, but who is really gripping whom? Is the penis the best in man -- or the beast? How is man supposed to use it? And when does that use become abuse? Of all the bodily organs, only the penis forces man to confront such contradictions: something insistent yet reluctant, a tool that creates but also destroys, a part of the body that often seems apart from the body. This is the conundrum that makes the penis both hero and villain in a drama that shapes every man -- and mankind along with it. In *A Mind of Its Own*, David M. Friedman shows that the penis is more than a body part. It is an idea, a conceptual but flesh-and-blood measuring stick of man's place in the world. That men have a penis is a scientific fact; how they think about it, feel about it, and use it is not. It is possible to identify the key moments in Western history when a new idea of the penis addressed the larger mystery of man's relationship with it and changed forever the way that organ was conceived of and put to use. *A Mind of Its Own* brilliantly distills this complex and largely unexamined story. Deified by the pagan cultures of the ancient world and demonized by the early Roman church, the organ was later secularized by pioneering anatomists such as Leonardo da Vinci. After being measured "scientifically" in an effort to subjugate some races while elevating others, the organ was psychoanalyzed by Sigmund Freud. As a result, the penis assumed a paradigmatic role in psychology -- whether the patient was equipped with the organ or envied those who were. Now, after being politicized by feminism and exploited in countless ways by pop culture, the penis has been medicalized. As no one has before him, Friedman shows how the arrival of erection industry products such as Viagra is more than a health or business story. It is the latest -- and perhaps final -- chapter in one of the longest sagas in human history: the story of man's relationship with his penis. *A Mind of Its Own* charts the vicissitudes of that relationship through its often amusing, occasionally alarming, and never boring course. With intellectual rigor and a healthy dose of wry humor, David M. Friedman serves up one of the most thought-provoking, significant, and readable cultural works in years.

The plan was never to fall in love...The plan was to avenge my father's death. Hell, I knew better. Never fall in love with the mark. For ten years I have plotted and planned my revenge against Rafe DeMarco. He took the most important thing in my life away from me and I meant to return the favor. Except, I was wrong... Now, I need his protection. And I'm the fool who went and fell in love. The best laid plans and all. (Deeper is the finale of the Deep Duet. Start the duet with Book 1, Deep.) Praise for THE DEEP DUET "Love a fierce, damaged, sexy-as-hell alpha male determined to protect the woman he loves? Then you're going to fall hard for Rafe. He and Diana have chemistry in spades. This edge of your seat read will have you flipping fiendishly through the pages and begging for more." ~ Lili Valente, USA Today Bestselling author " DEEP is a bite-your-nails, squirm-in-your-seat blend of sex, lies and betrayal! Rafe is the stern, sexy man of my dreams and Diana is a fierce, determined heroine impossible not to root for. Five former hitman stars! " ~ Sierra Simone, USA TODAY bestselling author " If you love an alpha male and sizzling chemistry, then this book is for you! I couldn't put it down. I have become a super fan with this book. So hot! Five star read all the way. " ~Alta Hensley, USA Today

Bestselling Author “ Another page turner from the Malones. The guys in this agency are hot...The women... strong, sassy, snarky, with a sense of humor.... I'm caught in their web again and can't wait for more. ” stars from Words Turn Me On “ That moment before you were to take a leap off a cliff, the adrenaline rush you feel... that ’ s the feeling you get when reading Deep ...powerful, gritty, filled with suspense and mystery. ” stars from Wit and Wonder Agency

Marco Armiero is Senior Researcher at the Italian National Research Council and Marie Curie Fellow at the Institute of Environmental Sciences and Technologies, Universitat Aut(noma de Barcelona. He has published extensively on-Italian environmental history and edited Views from the South: Environmental Stories from the Mediterranean World. --

An indispensable introduction to the darker side of life, revealing the often strange and grisly stories behind the world's most infamous murderers, swindlers and crooks. 100 Most Infamous Criminals is an astounding compendium of crimes and their perpetrators. Here you will find the stories of some of history's most notorious criminals, the lives they led, the crimes they committed and the destruction and sorrow they left in their wake. This collection includes such notorious villains as: • Jack the Ripper, the man who terrorized Victorian London. • Ted Bundy, the serial killer beloved by his neighbours. • Al Capone, the king of gangsters. • Harold Shipman, Britain's angel of death.
