 The Chain is a song from Fleetwood Mac's best-selling album Rumours. "The Chain" is unique in being the only song credited to all five members of the Rumours-era Fleetwood Mac lineup: Lindsey Buckingham, Mick Fleetwood, Christine McVie, John McVie, Stevie Nicks; this is partly due to the fact that John McVie and Mick Fleetwood are generally not songwriters.

 One of the most iconic tunes by the rock band Fleetwood Mac, "The Chain" has been a popular song since it was released in 1977 and features throughout film, tv and other media. It was a tricky one to work out as parts are sung by both singers, so I took my best judgement. I hope you enjoy playing these letter notes :) ^D - ^D ^D ^D ^D ^E

Mick, Stevie and the gang recently raised a whopping \$7 million at an event for down-on-their-luck musicians. Even diehard fan Bill Clinton was in attendance.
