Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Help your student form a solid understanding of the Spanish language. Building on the basics, this book covers common phrases, functional vocabulary, conjugation of verbs, basic grammar, and sentence structure. Over 100 pages of reproducible activities get your students started on the path to speaking and writing Spanish. The activities provided offer fun and varied exercises to practice concepts and vocabulary. Students learn to tell time, formulate sentences, conjugate verbs, pose and answer questions, and make comparisons; all while learning about Spanish-speaking culture.

College Algebra provides a comprehensive exploration of algebraic principles and meets scope and sequence requirements for a typical introductory algebra course. The modular approach and richness of content ensure that the book meets the needs of a variety of courses. The text and images in this textbook are grayscale.

Don't sound like una momia--add a little sizzle to your Spanish! If someone called you tragaldabas would you be insulted or flattered? If you shouted ¡Mota! in the street, would you expected to get a cab or get arrested? Thanks to The Red-Hot Book of Spanish Slang and Idioms, you'll always know your tejanaje (scheme) from your merequetengue (mess) no matter where you find yourself in the Spanish-speaking world. Five thousand words and phrases--plus helpful hints as to what's cordial and what's vulgar--keep you in sync with Spanish slang. Spanish to English niños popis (upper-class kids) Spoiled brats Contigo ni a China me voy. (I'm not even going to China with you) You're impossible La cruda (rawness) Hangover English to Spanish Ugly as sin ser un espantapájaro (to be a scarecrow) To be lucky tener leche (to have milk) Why are you staring at me? ¿Tengo monos en la cara? (Do I have monkeys on my face?)

Readers will gain even more appreciation for their Bible when they see how God directed its development, from the original authors through today's translations. How Did We Get the Bible? provides an easy-to-read historical overview, covering the Holy Spirit's inspiration of the writers, the preservation of the documents, the compilation of the canon, and the efforts to bring the Bible to people in their own language. This fascinating story, populated by intriguing characters, will encourage readers with God's faithfulness to His own Word, and to those of us who read it. It's a fantastic, value-priced resource for individuals and ministries!

For the past six years, Stephanie Nolen has traced AIDS across Africa, and 28 is the result: an unprecedented, uniquely human portrait of the continent in crisis. Through riveting, anecdotal stories, she brings to life men, women, and children involved in every AIDS arena, making them familiar. And she explores the effects of an epidemic that well exceeds the Black Plague in scope, and the reasons why we must care about what happens. In every instance, Nolen has borne witness to the stories she relates, whether riding with truck driver Mohammed Ali on a journey across Kenya; following Tigist Haile Michael, a smart, shy fourteen-year-old Ethiopian orphan fending for herself and her baby brother on the slum streets of Addis Ababa; chronicling the efforts of Alice Kadzanja, an HIV-positive nurse in Malawi; or interviewing Nelson Mandela's family about coming to terms with his own son's death from AIDS. Nolen's stories reveal how the disease works and spreads; how it is inextricably tied to conflict and famine and to the diverse cultures it has ravaged; how treatment works, and how people who can't get treatment fight to stay alive with courage and dignity against huge odds. Imagine the entire population of New York, Chicago, and Los Angeles combined infected with HIV, and its magnitude in Africa is clear. Writing with power and simplicity, Stephanie Nolen makes us listen, allows us to understand, and inspires us to care. Timely and transformative, 28: Stories of AIDS in Africa is essential reading for anyone concerned about the fate of humankind.

Andrés Moreno. Sadistic drug lord. My most feared enemy. And my captor. I don't like to be touched. I'm the hacker-geek-goddess of the FBI. When I'm hiding behind my screen, I'm a safe distance from everyone; isolated, powerful. No man has ever touched me, but when I'm captured by Andrés, I no longer have the right to refuse. Hell's scarred and scary, and his cruel brother Cristian has tasked him with breaking me. The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and wrong, but maybe I'm twisted, too. Do I want to be rescued from him? Or is he the one who truly needs saving?
