Valuation The Art And Science

I believe that most valuers tend to err on the side of valuation being an art rather than a science, mainly on the basis that it requires judgment and is a statement of opinion not fact. However, I believe it is reasonable to disagree with the proposition that valuation is an art not a science to some extent, i.e. one could argue that it is probably a mixture of the two.

Is Valuation an Art or a Science? - Marriott & Co.
